CULLER'S CORNER

Gale & Karen

Merry Christmas one and all!

We are so thrilled to be able to share our love and appreciation for you. During this unusually challenging year, we are especially thankful to each one of you who have remained steadfast in your commitment to your Lord through Show-Me. It means so much to each of our young people to know you are there and you truly care.

As we see things spin out of control around us, it is comforting to know our God is still in control. Oh, that each one could have the peace that passes all understanding that can only come from Him.

Currently we have 72 precious children whose lives are entrusted in our care...a few less than last year at this time, but we are confident God will continue to supply through His wonderful people in ever increasing measure so we can return to full capacity in the near future. This is especially important, since there are so many young people in need. There is no greater blessing than to be able to say yes, when those calls come.

Gale is trying to remain as active as possible in the ministry even though he is semi-retired and lacks the stamina he once had. Short term memory problems continue to plague him (a result of the long term implant treatment for cancer). Doctors say that could improve in time. Keep praying!!

May God bless you in abundant measure for your commitment to the Lord's work through Show-Me. It has impacted young lives in a mighty way over the years, providing them an opportunity for a bright future both now and throughout eternity.

Have a blessed Christmas & a healthy prosperous 2009!

Gale & Karen

Special Thank You

Last newsletter we asked for your prayers, due to the financial difficulties we are all facing. We want to thank you for your prayers and praise God for his faithfulness. Our income has improved somewhat and along with the cuts we have made our ministry continues to be stable and secure.

We have added new houseparents and are looking forward to increasing our numbers. Praise God for providing and thank you for your prayers. We know you will continue to pray for the finances and for the young people at Show-Me.

Reflections of the Heart

Written by Judi Crawford

I have been preparing the newsletter for seven years now and each time I look forward to sharing the updates of what God is doing in the lives of young people through Show-Me. I saw Him work in my life as a child here. Now having taken on the role of houseparent along with my husband we are able to see Him work through the changes in our young people's lives.

We have been blessed by spending one on one time with our Show-Me children. We have learned a lot from them and we pray that the lessons we are teaching them will leave a lasting impression on each of their lives. It is not always easy to stand up to a teenager and tell them what is right, but it is always needed and they respect you for it later. And because we care for each of those in our house, it is the only way. We want what is best for each of them. How can we teach that to them if we do not ask them to give their best?

There has been a lot of heartache in the lives of many of our young people before arriving here at Show-Me, but that does not have to be their story. I would like to thank you for making it possible for my husband and I to care for the young people in our home and for giving us an opportunity to share God's love with them. We love each of them and I know that one day, if not already, they will be thankful for us.

You Make Our Christmas Extra Special

This Christmas is even more meaningful this holiday season than ever. With the economy the way it is, money is tight for everyone, and yet you still shared the spirit of Christmas with our children. Thank you so much for your sacrifice and helping make our children here at Show-Me Christian Youth Home have a blessed Christmas. Your generosity teaches them a valuable lesson about how we as Christians should

live. God offers us the gift of eternal life, not because of anything we have done, but because of the love He has for us. May God bless your family throughout this next year.

New House Parents & Staff

*Justin & Amber
Willet*

*Dennis & Linda
Messimer*

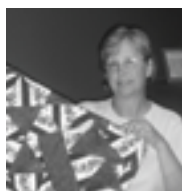

Sharon Meyers

We are happy to welcome Justin & Amber Willet as the newest houseparents at our La Monte Unit. They are caring for a family of seven children at this time.

Dennis & Linda Messimer have become a part of the Show-Me family, as well. Dennis is taking care of Church Relations. Your congregation may be hearing from him soon to schedule a visit there from Show-Me. Linda has been a blessing to our younger children. She is the preschool facilitator and day care provider.

Sharon Meyers retired from 31 years of teaching in public school this past year and was able to join us as a facilitator at our Christian school. She also coached our volleyball team in the Fall.

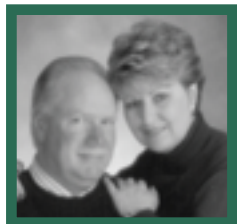

A special thanks to Carol Blakely for the handmade quilt she donated to Show-Me. The quilt was auctioned off and raised over \$600.

Good Twins Celebrate 50 Years of Ministry

The Good Twins started their 50 Year Anniversary tour at our Open House in September. They traveled throughout Missouri and Kansas performing 12 concerts at hosting congregations. Ronnie Epps, Show-Me's development consultant, was able to travel with them and over \$14,000.00 was given for the ministry of Show-Me Christian Youth Home. The Good Twins have helped us out many times by performing these benefit tours for us. Thank you to Dwight and Dwayne Good and all of the churches who invited them to perform.

Benefit Concerts Held

A special thanks to Roger and Janet Denton for volunteering their time to hold benefit concerts in Show-Me's behalf. The Dentons most recent benefit concert was held at their home church in Raytown, Missouri. Many people enjoyed the uplifting blend of gospel and contemporary music. The Westridge

congregation raised over \$3,000.00 at the concert that evening for Show-Me. If you are interested in having the Dentons perform their beautiful music for your congregation please contact Judi Crawford at 660-347-5982.

Construction of Galt Unit House is Well Underway

We are excited to report that our house in Galt, Missouri has come a long way since the last newsletter. The roof is partially finished. The windows are being installed as this is being written. We are looking forward to getting the house completely enclosed so that the interior work can be done during the winter months. If you are in the area and are interested in volunteering with this project, contact our building manager, Jacob Crawford at 660-347-5982. Assistance with roofing and dry-wall is especially needed. He will keep your name and number and let you know when we get to those points in the construction process. Thanks to all those who have helped so far.

ACTIVITIES

FARM FRENZY OPEN HOUSE PICTURE ALBUM

As usual, there was a lot of fun to be had at the Show-Me Open House. They young people enjoyed the farm frenzy contest with Colby Higgins in charge (1). Candy in a haystack is always a crowd favorite, speaking of the younger crowd, of course (2)! The more mature crowd enjoyed the checker games at the pavillion (3). Everyone had a good time watching the Good Twins perform and our Directors, Gale and Karen Culler, were happy to have their picture taken with them (5). We gave a lot of tours this year, with the help of our tractor drivers (4). We would love for you to join us next year on September 12, for our annual open house. The Vintage Gospel Lads will perform.

Volleyball Season Ends & Basketball is Underway

We were so proud of our volleyball girls. There were several of them who had never played before, but they went out there and gave it all they had. Sharon Meyers, Christian School Facilitator, served as our volleyball coach this year. She is a new coach for us, but not new to the sport. She coached volleyball at the public school many years before she came to us. Not all of our girls were new players, Brandi, who will graduate from the Christian School this year, has been on the Angels volleyball team since age 12. The girls ended the season with a 5,15 & 4 record.

Our boys basketball team won their first game and is looking forward to two more games before Christmas break. Josh and Coty are the seniors on this team. We are looking forward to an exciting season. We thank Clint Guthrie and Keith Ellis for volunteering to coach the 2008-2009 Angels Basketball team.

FAMILIES FIND FAIR FUN

We are so thankful to the Optimist Club of Sedalia, who makes it possible for our young people to attend the Missouri State Fair each year. This year David found fun in the conservation center. Josh Q. took in the military vehicles at the Army Reserve exhibit. Josh B. Andrew and Jacob, staff, compared stories about the rides. Bri and Ashley were happy to find out about the animals at the conservation center, as well. Thanks again to all those who make this exciting day possible!

We are happy to report that 3 of our young people have been baptized since our last newsletter. Please join with us in welcoming Tierra, 15, Abby, 15, and Sammi, 15, into the Christian family. We praise God for their decisions to follow His will for their life. Please keep these young women in your prayers as they begin their life in Christ.

What a privilege it is for me to be a part of the Show-Me Home family! I am grateful to the Board of Direc-

tors for their confidence in the gifts and abilities the Lord has given me to contribute to this ministry of faith. It is a blessing to come along side with Gale and Karen and all the many workers who have already proven their great love for Show-Me.

My wife, Sandra, and I have been married for 41 years. We have two children, Michael, who is a Network Engineer for the Nortel Company in North Carolina. He has two daughters, a great wife, and is an elder in their church of over 5000. Michelle, is a representative for Blue Cross Blue Shield in Quincy, Illinois. She has a great husband, three daughters and one son, and leads a MUMS group at her church.

My responsibilities at Show-Me allow me to communicate with our faithful partners in ministry as well as potential contributors, both in funds as well as prayer. One of the books I reread before coming to Show-Me was George Mueller's life of prayer in raising up millions for the orphanages in England and around the world. Jesus teaches us that if we do not ask, we will not receive.

I will, also, be working in the area of wills and estate planning as well as writing and procuring grants for the many needs of our homes. We are thankful that many of you have already planned to make Show-Me a part of your estate.

I look forward to partnering together with you for this great cause. There are so many young children who are crying desperately for a place of love and acceptance. Show-Me has proven through the years the ability to take the abused, neglected, and often just unhappy and angry kids, and watch them transform into the beautiful children that God created them to be.
