LET IT SNOW, LET IT SNOW, LET IT SNOW

We have had several snow days to follow up our Christmas break. Some of our young people had the chance to go sledding with a friend of their family. Our houseparents have enjoyed the days off from school, but of course have been thankful on those days when school could take place.

Need more information about Satellite units. Did they get to do anything for Snow days? Did they have a lot or none? stuff like that.

SPORTS AND ACTIVITIES KEEP CHILDREN MOVING

The boys basketball team has enjoyed success this winter. Holding Fenulus is the coach and has helped these ___ young men learn to work as a team and give 100% on the court. We want to congratulate Martez, Dalton, Mark, Taylour, Caleb and _____ on their wins!

The young ladies at our Galt location have been busy with musing and basketball. Alli is involved in the choir and the basketball team at _____ high school.

The horsemanship class, taught by Bethany _____, is underway and our La Monte students have been learning about earning trust from each of their horses. They can clean their hooves and lead the horses. Riding lessons will start once Bethany feels that the horses and the riders have build the nesecary trust needed to make the ride sucessful.

Christian came to us at 15 with her baby boy Cortez. She recently finished school and is ready to enter the work-force and begin her life as an adult.
