

# SHOW-ME'S E-NEWS

Ryan, 15, and Mark, 17, escort one of the Campus House ladies through the gym after having their names announced to the crowd at our Valentine's Banquet in February.

## U.C.M. CHRISTIAN CAMPUS HOUSE HOSTS BANQUET

Students from the Christian Campus House at Warrensburg went all out to give our young people a special memory. We have held the banquet at our multi with the campus house taking care of the setting up and decorating for many years now. This year they wanted to go one step farther. They asked if they could come early and fix our young ladies hair. The college men, not wanting to be outdone, decided that our young men should get do something fun before hand, as well. Of course they didn't want to fix their hair, but they decided it would

be fun to play some basketball at the outdoor court, while the girls were getting ready. During the banquet, which was beautifully decorated, the college students made a point to interact with our children. Each person that choose to, was announced as they walked down the walk way. This event doesn't just give our children a chance to dress up, it also introduces them to young men and women who have chosen to follow Jesus. Thank you U.C.M. students, you have made a difference!

## EXCITED ABOUT NEW GROWTH

We are looking forward to completely filling our homes once again. The changes in the economy have been stressful, but we are so thankful for all of your faithful support and for the new support we have received. We are excited about the new house-parents who have joined our team. Three new couples have been hired and one couple who were serving as

relief parents have become full time parents. We have accepted four new children in the past week and have set placement up for two more. We now have 63 children as part of our Show-Me family. Thank you again to all of those who share with Show-Me financially and prayerfully. We know God will continue to bless.
