CULLER'S CORNER

Gale & Karen

Winter snowfalls have covered the countryside with a beautiful blanket of white through much of 2011 making everything look so pure and fresh! While breathtaking, it does slow things down a bit, especially in the country. How thankful we are for warm homes and plenty of good food to eat.

Our Board continues to accept applications and conduct interviews of new Executive Director applicants. Your prayers for their Godly direction in this all important decision would mean much.

Meanwhile, we are keeping on keeping on. Each new day has its own challenges and blessings. Winter expenses continue to be quite a challenge with the high cost of propane and other utility bills. Of course, keeping gas in our vehicles is a major challenge, as well, even though we combine errands and make every effort to be frugal. Your prayers for these financial pressures would be appreciated.

We are so thankful for each precious child who is entrusted in our care. Like your children, they grow up quickly and opportunities of influence seem all too brief. Our constant prayer is that seeds will be planted in their heart that will greatly impact their decisions in the future.

Thank you for your active involvement in our mission efforts here at Show-Me. As you partner with us, young lives are being provided a safe haven and a bright future. May God bless your love in action!

In Loving Appreciation,

Welcome New Children

Gracee

We are happy to welcome two new young people in November. Anthony is a member of Mayview New Life unit where Darrin and Aubree Taylor serve as the houseparents.

Gracee joined the Tim and Dorothy Schroeder family at our Galt Unit in northern Missouri. Gracee is 11 and Anthony is 15.

HOUSEPARENTS NEEDED

A loving Christian couple is needed to provide care to a family of up to ten young people who are unable to live with their biological family. We are searching for a couple with child care experience, strong Christian commitment and good work ethics.

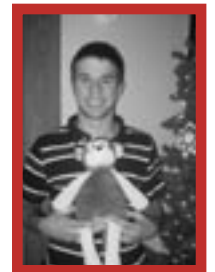

Horsemanship Class at LaMonte

The horsemanship class, taught by Bethany Moss, is underway and our La Monte students have been learning about earning trust from each of their horses. They can clean their hooves and lead the horses. Riding lessons will start once Bethany feels that the horses and the riders have build the necessary trust needed to make the ride successful.

SCENTSY BUDDIES BRING SMILES

We are so blessed by the many people who share with our young people at Christmas. This year Independent Scentsy Consultant, Theresa Gabriel wanted all of the young people at Show-Me to have a scentsy buddy, which is a stuffed animal that is not only adorable, but also smells wonderful. She was able to reach that goal with the help of generous individuals who purchased the Buddies to donate to our young people.

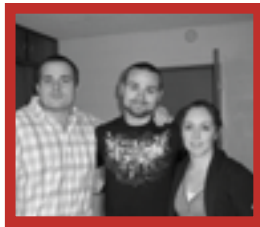

SPECIAL PRAYER REQUEST

We ask for prayer for the Fay family in the loss of 6 month old, Chance. Chance is the grandson of our Board Vice Chairman, Elton Fay. Elton and his family went to California to be with his daughter Erin to comfort her in the loss of her son. We request your prayer for the entire Fay family as they are grieving the lost of this precious baby.

Announcements

JOSH ATTENDS OZARK CHRISTIAN COLLEGE

Josh took time to pose for a picture with his houseparents, Darrin and Aubree Taylor, before starting his first semester as a college student. The Taylors, from our Mayview New Life Unit, took Josh to Ozark January 14 and helped him get his dorm room set up. Aubree reports that Josh, who would like to become a youth minister, is loving college and making new friends.

TROY CULLER MEMORIAL BASKETBALL TOURNAMENT

We are looking forward to another great couple of basketball tournaments. There are spots for up to eight teams in each tournament, giving up to 16 different church teams a chance to compete. Fees for the tournament, which help cover the costs of our licensed refs are \$100 per team. If you are interested in bringing a team from your church to the tournament, contact Larry Smith at larry@show-mehome.com. Or go to our web site to print a roster form from there. www.show-mehome.com/upcoming_events

DONATE ELECTRONICALLY

Donating to Show-Me can be made effortless by signing up for Electronic Funds Transfer. If you are interested in giving automatically on a monthly basis please call Judi or Melody at our office and request a EFT form to be sent to you. You can also email lovegrows@show-mehome.com and ask for a form to be emailed to you.

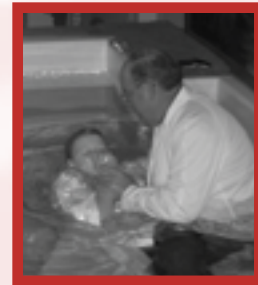

Go Paperless!

We are so thankful for the large amount of requests we have had for our e-newsletter! However, trying to send it out to so many of you has caused us to have technical difficulties. We have started a new method to send it out. This requires those interested in receiving an e newsletter to sign up at our web site. Visit www.show-mehome.com and click on the "About Us" tab.

Baptisms

Nicki, 14, and Carissa, 15, both from the Galt Unit of Show-Me were baptized in November at Galt Christian church where their family attends. Tim and Dorothy Schroeder are the houseparents at this location. Please pray for these two young ladies as they begin their Christian walk.

Stan Richardson, Minister at Galt Christian Church baptizes Nicki.

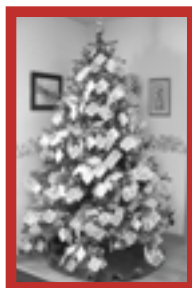

MACCCA

Missouri Association of Christian Child Care Agencies

Show-Me is a charter member of the Missouri Association of Christian Child Care Agencies (MACCCA), which serves as a state-recognized, peer-accrediting agency dedicated to leading the state in the highest possible standards of Christian child care. In addition to providing a means of accreditation independent of state control, MACCCA stays active in the legislative process to assure that religious liberties are maintained. Each year, MACCCA agencies host the state legislators at a "Meet and Greet" at the Capitol, an informal time for us to get to know them, to inform them of our ministries, and to express our appreciation for their service. This year's event on February 8th allowed us to get acquainted with the many new faces in the House & Senate.

CHRISTMAS TREE FILLED WITH BLESSINGS

We were happy to be able to fill our Christmas tree with over 300 Merry Christmas wish ornaments this year! It is a visual reminder to our children and staff of the many people who care and who are praying for us and sending financial support on a regular basis. Thank you for blessing us this Christmas!

Winter Activities

Angel Basketball Season Underway

Our boy's basketball team has ten games scheduled for this semester. They won their first game against Family Christian in Independence, Missouri. They suffered their first loss to Heritage Academy in Columbia, Missouri.

This will be the first time any of these boys have played organized competition. Holding Fenelus and Bill Geary are our coaches. They have been teaching our young men the value of good teamwork and sportsmanship.

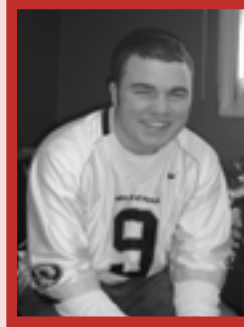

Our basketball program allows us to implement many of the principles our boys learn at home and in school. Self esteem is built as they discover abilities they may not have known they possessed.

Christian School Honor Roll Students

Our Christian School option offers students the individual attention they need to get back on track with their education and finally experience success academically. Many students reach above and beyond to attain Honor Roll Status. Three students attained the high standards required to set them apart for Honor Roll both First and Second Quarter. Congratulations to Mark, Christian & Jerrica!

Mid-Semester Graduates

Mark

Mark joined our family on April 27, 2009. He has made academic achievement his priority since his arrival. Along the way Mark has overcome many problems of the past and has grown into a fine Christian young man.

Mark has enjoyed learning ag skills on our Emerald Ranch registered cattle operation and has become quite an efficient

cattle man.

Mark's athletic ability is shining forth on our Christian School basketball team. Mark is completing graduation requirements this month and will be returning to participate in graduation ceremonies in May.

Christian has been part of our Show-Me family since her arrival on March 19, 2007. She joined our family along with her 11 day old son, Cortez. Many of you have enjoyed watching her grow into a responsible young mother. We are so very proud of Christian's commitment to turn her life around.

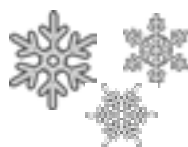

Christian

Christian's beautiful voice has highlighted many of our young people's programs during her time with us. It is our prayer she will continue to use her talent to serve the Lord.

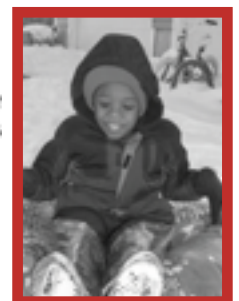

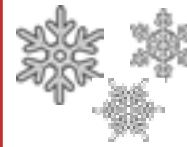

Christian has remained focused on her goal of high school graduation and has happily accomplished that as of January 31! She plans to participate in our Graduation Ceremony in May.

Nikki in the Galt High School Marching Band.

Thank you to all those who helped to make Christmas special for our young people.

Cortez enjoys time sledding out in the snow..
