Jesse Visits London

An adventure began after the music teacher from Leeton High School, Bob Wyatt, invited our Christian School Drama students to a drama workshop at Leeton. The workshop instructors were from London and when one of our students, Jesse, gave an impressive performance as the lead character, he was honored with the actor of the day award. Jesse was then invited to go to a workshop in London with a group of other students. Thanks to the efforts of Mr. Wyatt in finding Jesse an

anonymous donor for the trip costs, Jesse was able to go. Not long after his journey, he was able to return home to his family. We know he will do well and continue to use his talents, that we began to see when he was just seven years old and he had his first speaking part in our Christmas play. Jesse you are in our thoughts and prayers!

Christian School Looks Forward to New Year

We have finished the inside construction for the office portion of the new multi addition. Now the focus is on finishing the learning center during the summer break. The drywall work is done and the walls are painted. The Michigan Volunteers helped complete the metal ceiling and electrical work. The floor is finished, as well. All is left is the baseboard and switch covers. We will then be ready to move all of the student offices over from the two previous locations into the beautiful new one.

To highlight a few noteworthy achievements of our school this past year: Our 50 students completed over 2300 PACEs with a school-wide test average of 92%; 13 students completed the challenge to memorize the entire book of Ephesians; and 19 students achieved 4th Quarter Honor Roll.

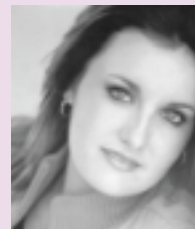

Unfortunately, no statistics exist to prove what teachers experienced in the Learning Centers: students' lives changed forever when they finally found success at academics. We are proud of our high-achieving students; we are honored by our highly-improving ones.

Annual Open House

Saturday, September 6, 2008

Have you been looking for an opportunity to visit Show-Me? We want you to see your ministry first-hand. Our annual open house will have many exciting activities such as; horseback rides, candy in a haystack, sand volleyball, gospel music and much more. The fun starts at 9:00 AM and ends with a pick up game of softball around 4:00 PM. The Good Twins will be the featured entertainment for the day. You won't want to miss their velvet voices and good humor! A delicious meal of barbecue pork and all you can eat side dishes is provided free of charge at noon!

Please fill out the card to the right and send in the provided envelope to let us know you are going to be there!

KAREN CULLER NOMINATED FOR THE FIRST LADY AWARD

Executive Director of Show-Me, Karen Culler, was honored by her nomination for the First Lady Award. She and her guests were invited to attend the awards ceremony at the Governor's Mansion in Jefferson City. Missouri's First Lady, Melanie Blunt, presented the nominees with a beautifully engraved paper weight. Nominees and guests were treated to a reception in the Governors Mansion before and after the ceremony.

A portion of Karen's nomination essay, submitted by Show-Me board members, Ronnie Miller and Rodney Schad, said, "She did everything that a mother should do and she did it for children who were not her own...only once they were in her home, they were her own as much as a child could belong to a parent. Because of the dedication of the Cullers Show-Me Christian Youth Home has continued to grow from 6 children when they joined the ministry to over 90 children today."

Thank you to both Gale and Karen for their love and dedication to caring for children.

Ground work began the week of July 7th on the Galt Unit house. Jacob Crawford visited the 10th and took these pictures.

Galt Unit Ground-breaking Ceremony Starts the Rain

We are so excited about getting started on our new house in Galt, Missouri. The ceremonial ground breaking was held on March 27 at the Galt Christian Church, due to inclement weather. We were thrilled to have the community offer such great support. There were over 100 people in attendance including the Trenton Chamber of Commerce and the Chillicothe Chamber of Commerce. KULH, The Wave, radio was there to cover the event and interviewed Karen Culler, Executive Director and Jacob Crawford, Galt Building Manager on their station.

The ground breaking was held on a cloudy day it seems there have been clouds and rain ever since. The weather is now cooperating and we are excited to finally get things started. Keep watching your newsletters for information about the Open House, which will be held when the home is completed! If you would like to be updated about the Galt Unit by email please contact Judi Crawford, judi@show-me-home.com, and put Galt Unit in the subject line. Your email address will be added to the Galt Unit list.

Leon & Marry Ann Hubble, who donated the land for the Galt Unit "break ground" with Executive Directors, Gale & Karen Culler.

CULLER'S CORNER

Gale & Karen

It was exciting to see our largest class ever walk down the aisle on graduation night at our Christian School Commencement! It was even more exciting to hear the testimonies they shared as they expressed appreciation for the love and support they received from houseparents, educators, administrators and support staff. Truly each one now has an opportunity for a bright future! Thank you for helping make it all possible.

It's been quite a year! Income has dropped significantly. With the state of the economy and the ever escalating gas and food prices, it is becoming increasingly difficult to stretch the budgeted dollar. We are simply tightening our belts in an effort to weather this storm. After all, little lives are at stake!

We recognize many are facing personal financial crunches, as well. In an effort to be prudent during this time, we are not replacing our Senior graduates, nor those who have had opportunities to return to family members, keeping our numbers at or around 75 young people, which is approximately a 25% cut back. We feel this is an appropriate measure to take until funding deficits are eliminated.

We trust you will join us in praying God will supply our ministry needs in accordance with His perfect will as we strive to provide a bright and happy future for hurting young people during their time of need. Thank you for your own personal faithfulness to God's work through Show-Me.

Praising Him For You,

Gale & Karen

Special Prayer Request

During this difficult time of finances we ask for your prayers for all of those struggling to make ends meet. In our area many of our farmers are experiencing a rough year due to an abundance of rain. Many of our supporters are farmers or from farming communities. We are feeling the effects of the increasing gas and food prices along with all of you. Please pray that we will have the wisdom to make the changes needed to adjust to the changing times. We know that God will meet all of our needs according to His glorious riches in Christ Jesus!

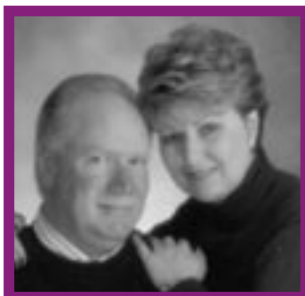

Concerts to Benefit Show-Me

Following Show-Me's Open House on September 6th, The Good Twins will hold their Fiftieth Anniversary tour. From September 7 through the 17, they will be traveling to congregations who have invited them to share their skillful harmonies. The offerings they receive will go to Show-Me. If you would like to invite the Good Twins to

your special event or congregation please contact Ronnie Epps at 913-526-4527.

Roger and Janet Denton are also booking concerts to benefit Show-Me. Both Janet and Roger have ministered for years with a wide range of musical styles. This gospel group will entertain and encourage any listener to a deeper appreciation for God. To invite the Dentons please call Judi Crawford at 660-347-5982.

Donate to Show-Me Online

We are happy to inform our supporters that you can now donate online through PayPal. If you visit our website www.show-mehome.com and click on the "Get Involved" tab, you will see the "Donate Now" button. You can donate through your PayPal account or use your debit or credit

Funds Raised at 2nd Golf Outing

We had a beautiful day for our 2nd Golf Tournament to benefit our Drysdale Farm Unit in Barnett, Missouri. The tournament was hosted at Rolling Hills Country Club in Versailles on June 12th. We had 15 teams of four participate. The Citizens Bank of Eldon team was the First Place winner with a score of 58. With the silent auction, the sponsorships and the entry fees we were able to raise over \$5,000.00. Thank you to all who shared!

Summer 2008

Class of
2008

Show-Me Christian School graduated its largest class ever! Eight students received diplomas on May 16th and we must boast about their accomplishments. We are particularly proud that 6 of them are gearing up for college next Fall; and we had our first student accepted to a state college—Christian will attend the University of Central Missouri!

We also had four students who graduated from public school. Two of our students plan to attend Christian colleges and one has joined the United States Navy. For more information on our graduates see page five.
