Winter 2008

*Praise* be to the God and Father of our Lord Jesus Christ, the  
Father of compassion and the God of all comfort,

*who comforts us in all our troubles, so that we can comfort those in any  
trouble with the comfort we ourselves have received from God.*

# CULLER'S CORNER

Gale & Karen

Isn't Winter wonderful! We've enjoyed our cozy warm homes and offices while gazing at the glistening ice on the trees when the frequent ice storms have hit. We've had fun watching the children play in the snow during the few snow storms we've had. We've been thankful for warm coats, reliable vehicles and well heated homes during the many ultra cold winter days. We have so much to be thankful for!

Winter financial stress plagues us every year, but it's especially challenging this year with ever escalating gas prices. Please be praying God will supply extra funds to offset this burdensome problem. With our extremely large family of nearly 100 children, it's difficult to cut expenses too much more without negatively affecting our quality program. So please pray God will provide.

Many good things are happening at Show-Me with the establishment of the new units. The communities are getting so excited. People are reaching out to the Satellite families so lovingly.

We are so excited about our boys winning Basketball season! They have a 13-5 win-loss record. Hard work does pay off. We'll have a big article in our next newsletter telling all about it.

We praise God for each of you, who love our children and our ministry. You contribute so much to Show-Me's success. May God bless your love in action.

Praising God for You,

*Gale & Karen*

## SHOW-ME DAY IN THE CHURCHES

30/40

Thank You

Thanks to the churches that participated in our Show-Me Day in the Churches. Because you were able to give us 10 minutes of your time, we were able to raise \$12,325.23. Of that amount, \$11,768.46 went towards our new Christian School Learning Center (progress pictured below). The remaining \$556.77 was designated for the home construction at our Galt location. We appreciate your generosity and are so blessed that you took the time to participate in this program!

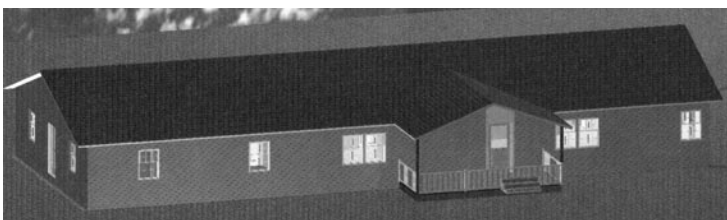

## Thank You Bentonville Wal-Mart!

The Bakery Division from Wal-Mart in Bentonville, AR donated \$450. Jodi Watkins, Goodman Unit Houseparent, accepts the check from their neighbor, Carl Willit, who works for Wal-Mart, as well as, Kevin Sullivan.

## Galt Ground Breaking

Thanks to the generosity of the Hubbles, who donated 8 acres of land and started the house fund, and the financial gifts of many others, we have now raised our ground breaking goal of \$150,000 for the house at our Galt unit. We will hold the ground breaking ceremony on March 27th at 12:30 PM. You are invited to join us to mark the beginning of our unit in Galt. Lunch and refreshments will be provided. Take Highway 6 to Highway V to 10th Street. Park at the South East corner and a shuttle will take you to the ground breaking site.

## GRADUATES GRADUATE

Thomas, 2007 Show-Me Christian School graduate, graduated from Army basic training at Fort Sill, Oklahoma. He was able to be home for Christmas and to bring in the New Year. He is stationed in Hawaii where he is receiving additional training as a cannon crew member. Thomas is on schedule to leave for Iraq in October.

Casey, 2006 Show-Me Christian School graduate, had the opportunity to participate in Columbia Builds Youth and graduated from the program in September. He is currently assisting with the new addition to our Multi.

Casey accepts his construction course certificate from one of his instructors.

Houseparents, Jeff and Jessica Weber, with Thomas and Gale and Karen Culler, Executive Directors, at Thomas' graduation in OK.

## Baptism

Jacob, 10, made the decision to become a Christian and the Watkins family celebrated with him as he was baptized in January. We are so happy for him and ask that you will keep him in your prayers as he begins his Christian walk.

Emily, 6, became a Christian and was baptized in December. She is the daughter of houseparents, Chad & Jennifer Puckett and their family was happy to be a part of this important time in her life.

# FALL & WINTER

## Sports Bring Fall Fun

Fall sports gave us entertainment that was enjoyed by the whole family. The Show-Me Angels Volleyball team were 11 and 13. The Show-Me Angels Soccer team played 11 games with 4 wins. Both teams worked hard to improve on the basic skills of the sports. We are in the fifth year of our sports program and those who have been part of the teams for several years are able to work on more advanced areas of their sport. They can also help the new players and serve as a leader for the team. We have seen great improvement in all of our teams and have also witnessed the benefits of sports for self-esteem and bonding. We are thankful to be able to offer these opportunities to young people who may not have otherwise had them.

Charles Watkins, Jennifer Puckett and Bobbie Novak shared coaching duties for the 2007 volleyball team. Front to back; Meagan, Mariah B., Francis, Emily, Kayla, Lauren, Sadiey, Cerra, Brandi & Dara. Not Pictured: Lacey

Soccer Coach, Jacob Crawford and Assistant Soccer Coach, Adam Carver pose with the 2007 team before a home game. Front Row: Dylan, Sean, Jesse, Christian, Zach. Back: Josh, Patrick, Jacob, Coty, Josh B., Edwin, David, Abe & James.

**FALL SNAPSHOT**

Nakel and Nikko enjoy their hot dogs at our Fall Harvest Party in October.

Francis and Emily participated in the McDonald County Winterfest Pageant on November 19. Francis was third runner up and Emily won Miss Congeniality. Both girls impressed the audience with their beautiful singing voices.

Shelby and Gabby enjoy time in the paddle boat at Lost Valley Lake Resort.

## DRYSDALE FARM UNIT OPEN HOUSE

The Eldon Chamber of Commerce help Mr. Drysdale cut the ribbon.

On November 11 we gathered at the Drysdale Farm Unit in Barnett, Missouri to celebrate the completion of the home. The Eldon Chamber of Commerce and Versailles Chamber of Commerce were there to cut the ribbon in honor of the new home. It was a beautiful day and a wonderful feeling to be able to offer a home to an additional 10 children. Neal and Kim Becker are the houseparents at this unit. For more information on volunteering or visiting this home call 660-347-5982.

Karen Culler enjoys the sunshine with Mr. Drysdale on the front porch of the new house.

# ACTIVITIES

## Christmas Story Told with Country Flavor

Our young people performed "It All Happened in the Country" written by Dennis and Nan Allen sixteen different times this December and even performed three times in January. The weather didn't cooperate a few times, so two locations that cancelled had us in January. That gave "Uncle Yule" more opportunities to talk about Jesus' humble birth in that "little one horse

town called Bethlehem". These pictures are from our performance at Blue Springs Christian Church where our families were treated to a wonderful meal and gifts. A special thank you to Jim Payne who has served as Santa at that party for over 20 years. Thank you to all of the congregations and groups who invited us to share our talents!

The Motorcycle Club from Whiteman Air Force Base, pictured to the left, in Knob Noster, Missouri held a party for our young people at Leisure Lodge in Warrensburg. Our young people were able to skate and play miniature golf. The club also provided pizza and gifts. Even Santa attended the festivities!

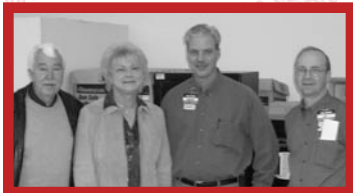

## Optimists Send Show-Me Shopping

You can tell from the empty cart that Junior, Darrin (housedad), Jayson and De'Andre are just getting started.

Our thanks go out again to the Warrensburg Sunrise Optimists for all their hard work in raising funds for our young people to go Christmas Shopping. It is definitely more blessed to give than to receive. Our children are able to experience this blessing because of the generosity of the Optimists. Each year we load up and head to Wal-Mart where each of the children are able to pick out gifts for their family members. We travel over to a local church to wrap the presents and have a pizza party! The families then perform our Christmas play as a way to say thank you.

## Thank You Warrensburg Wal-Mart!

Wal-Mart managers Bryant Armstrong and J.D. Wild are pictured here with Show-Me Executive Directors, Gale and Karen Culler. J.D. presented the Cullers with a check for \$2,150.00 from the Warrensburg Wal-Mart.

Maricella, Christian and KD are intent on finding that perfect gift!

## Gifts Forward

### A "Tender" Moment over a tender-

loin... was shared by Leon & Mary Ann Hubble, Stan Richardson, and me at the Galt Café on February 7<sup>th</sup>. It was a hastily put together luncheon as we were celebrating the fact that our goal of raising \$150,000 for a new home was accomplished. Being able to communicate the news to the Hubble's that our efforts were successful and their dream was becoming a reality was a tender moment to me.

This couple, along with many others who share the passion of helping hurting children, decided to challenge themselves and invest in the eternal lives of young people.

It is so easy to talk about wanting change, but actually "gifting forward" makes the change.

Each of us needs to have the right perspective on our resources, for everything that we have comes from a heavenly source. God is our faithful supplier; and His plan is that we be His faithful stewards.

God gives us the privilege of using His resources in our care, enjoying them, and managing them for His glory. We must remember that "little is much if God is in it." His ability to multiply even a "widow's mite" is extraordinary!

The stewardship of resources is a temporal responsibility, but its impact and its importance are eternal. I pray that you consider being generous to the Lord's work, not only during your lifetime, but beyond!

Encouraging Generosity
